February 2016 - PRESENT

Company Name, Location - *Job Title*

- Lorem ipsum dolor sit amet, consectetur adipiscing elit.
- Aenean ac interdum nisi. Sed in consequat mi.
- Sed in consequat mi, sed pulvinar lacinia felis eu finibus.

Experience

Victoria's Secret, New York - *Bra Innovation Designer*

February 2016 - October 2019

- Researched technologies in various categories that could be implemented in new and innovative bra designs.
- Launched multiple core bra collections with superior comfort and design features by studying the components that make the most difference in the overall function and look of a bra.
- Initiated and delivered a comparison report on internal user research of existing versus innovative new fabrics and raw materials in development.

United Nations Remote Volunteer - *UX/UI Designer*

January 2019 - June 2019

- As the sole UX/UI designer on the team, I am designing an internal tool that detects the profiles and locations of criminals.
- Established an overall brand identity with extensive guideline for the system including a logo, typeface and the color palette.
- Modernized the system's UI by making it more presentable and easier to navigate while redesigning the interface.
